

ATTACHMENT A

Estimated Statistics for Enforcement of the COVID-19 Orders As of July 6, 2020

Approximate number of warnings issued pursuant to COVID-19 Orders as of July 6, 2020:
10,430

Approximate number of citations issued pursuant to COVID-19 Orders as of July 6, 2020:
6,360

Approximate number of arrests affected pursuant to COVID-19 Orders as of July 6, 2020:
361

NOTE: The HPD does not have official statistics regarding enforcement of COVID-19 orders. As a management tool, the HPD kept a general tally of activities regarding COVID-19 enforcement. These estimates were used to give us a general sense of community compliance. The issuance of numerous supplemental orders, each with modified additional rules, made keeping consistent detailed statistics difficult.
