State Senate/District 10

**INTRO2. Privacy & Technology**

**PLEASE READ THE STATEMENT BELOW AND THEN ANSWER THE TWO QUESTIONS THAT FOLLOW**

*A recent study by the National Institute of Standards and Technology found that the majority of facial recognition technology programs exhibited disproportionate rates of error when analyzing the faces of women and people of color. In 2018, the ACLU tested Amazon's facial recognition technology software by running the photographs of sitting members of Congress against an arrest database. Twenty-eight false matches came*

back, including those of six Congressional Black Caucus members. Multiple jurisdictions across the U.S. have instituted bans and/or moratoriums on government use of this technology.

**Q1. Do you support legislation ending government use of facial recognition technology?**

Yes

No

Prefer not to answer

Q1a. Please write any comments you might have in the box provided below.

**Q2. Do you support legislation limiting private entities' use of facial recognition technology without the clear, written consent of the subject?**

Yes

No

Prefer not to answer

Q2a. Please write any comments you might have in the box provided below.

*INTRO3. Police Reform*

**PLEASE ANSWER THE FOLLOWING QUESTION**

**Q3. Do you support legislation establishing a uniform policy for law enforcement use of body cameras?**

Yes

No

Prefer not to answer

Q3a. Please write any comments you might have in the box provided below.

Body cameras benefit both law enforcement and the public. They bring transparency and context to interactions in which the public would otherwise not have any.

**INTRO4. PLEASE READ THE STATEMENT BELOW AND THEN ANSWER THE QUESTION THAT FOLLOWS**

*Hawai'i law allows law enforcement to seize—and keep—personal property without ever charging the property owner with a crime. This is done through a process called civil asset forfeiture. The Legislature passed—and Governor Ige vetoed—a bill in 2019 reforming Hawaii's civil asset forfeiture law by prohibiting civil asset forfeiture except where the property owner had been convicted of a felony connected to that piece of property.*

**Q4. Do you support this reform?**

Yes

No

Prefer not to answer

**Q4a. Please write any comments you might have in the box provided below.**

Civil asset forfeiture is a system ripe with abuse across the country. "Business as usual" cannot be accepted in this case. In 2018, property was seized and sold in 26 percent of Hawaii civil asset forfeiture cases with no corresponding criminal convictions.

**INTRO5.**

**PLEASE READ THE STATEMENT BELOW AND THEN ANSWER THE QUESTION THAT FOLLOWS**

*Hawai'i law provides special protections for the disclosure of police disciplinary records.*

**Q5. Do you support legislation repealing such special protections and disclosing the disciplinary records of all law enforcement officers in Hawai'i?**

Yes

No

Prefer not to answer

**Q5a. Please write any comments you might have in the box provided below.**

INTRO6.

**PLEASE READ THE STATEMENT BELOW AND THEN ANSWER THE QUESTION THAT FOLLOWS**

*The Legislature passed a law establishing a Law Enforcement Standards Board in 2018. To date, this board has met on two occasions and has not set any standards for law enforcement.*

**Q6. Do you support legislation to strengthen the board's independence, increase citizen oversight, set deadlines, and provide the board additional resources?**

Yes

No

Prefer not to answer

Q6a. Please write any comments you might have in the box provided below.

**INTRO7. PLEASE READ THE STATEMENT BELOW AND THEN ANSWER THE THREE QUESTIONS THAT FOLLOW**

*Evidence shows that school suspensions and school-based arrests lead to further contacts with the juvenile justice system and adult criminal legal system, as well as higher dropout rates and lower academic performance. Currently, students are being suspended for up to 92 days—over half of the school year—for even smelling like cannabis.*

**Q7. Do you support further limiting the number of days that schools can suspend students?**

Yes

No

Prefer not to answer

Q7a. Please write any comments you might have in the box provided below.

School discipline policies prevent students from receiving their right to an education. The harm cause by excessive suspensions far outweigh any perceived benefit.

**Q8. Do you support ending the use of school resource officers (i.e., police officers permanently placed in certain schools)?**

Yes

No

Prefer not to answer

Q8a. Please write any comments you might have in the box provided below.

Q9. Do you support eliminating status offenses for youth, such as truancy?

Yes

No

Prefer not to answer

Q9a. Please write any comments you might have in the box provided below.

**INTRO8. Economic Justice**

**PLEASE READ THE STATEMENT BELOW AND THEN ANSWER THE QUESTION THAT FOLLOWS**

*Only seventeen percent of workers nationwide have access through their employers to paid family leave to care for and/or bond with a new child, or to care for a sick or injured family member. The availability of paid family leave has been shown to increase workers' loyalty to employers, decrease employee turnover, and has been linked to decreased infant mortality rates and decreased reliance on public assistance. Eight states and Washington D.C. have passed laws that guarantee paid family leave to workers. In December 2019, Congress passed and President Trump signed the Federal Employee Paid Leave Act extending 12 weeks of paid parental leave to most federal employees.*

**Q10. Do you support legislation to guarantee 12 weeks of paid family leave to Hawaii's workers through the establishment of a social insurance program?**

Yes

No

Prefer not to answer

Q10a. Please write any comments you might have in the box provided below.

We are long overdue for a paid family leave policy, not only in Hawaii, but in this country.

INTRO9.

**PLEASE READ THE STATEMENT BELOW AND THEN ANSWER THE QUESTION THAT FOLLOWS**

*Hawai'i law does not guarantee any paid, short-term sick leave to workers.*

**Q11. Do you support legislation to guarantee paid sick days to Hawaii's workers?**

Yes

No

Prefer not to answer

Q11a. Please write any comments you might have in the box provided below.

The COVID-19 pandemic has shown the vulnerabilities of our economy and workforce by needing special measures to provide some form of paid sick leave. We need to do this proactively rather than reactively.

INTRO10.

**PLEASE READ THE STATEMENT BELOW AND THEN ANSWER THE QUESTION THAT FOLLOWS**

*Half of Hawaii's families cannot afford to meet basic needs. A recent study found that four in ten adults do not have access to \$400 at any given time, making them one emergency—or court-ordered fine—away from financial ruin. Studies have found that scaling fines based on affordability increases the likelihood that fines will be paid in full and increases revenue.*

**Q12. Do you support legislation that would require courts to scale fines based on an individual's income?**

Yes

No

Prefer not to answer

Q12a. Please write any comments you might have in the box provided below.

**INTRO11. PLEASE READ THE STATEMENT BELOW AND THEN ANSWER THE TWO QUESTIONS THAT FOLLOW**

*State law punishes nonpayment of traffic and parking tickets by placing a “stopper” on a person’s driving or vehicle record that prevents them from renewing or obtaining a driver’s license or vehicle registration until they’ve paid the ticket in full, plus a 21% fee assessed by the state’s contracted, Texas-based collection agency. Those who cannot afford their ticket and therefore cannot renew their license may be forced to choose between driving without a valid license (a traffic crime punishable by up to a \$1,000 fine or up to one year in jail) and losing their job or taking their child to the doctor. In recent years, several jurisdictions have either moved away from or completely stopped suspending licenses for nonpayment of traffic and parking tickets. In Hawai’i, there are approximately 350,000 outstanding license and registration stoppers.*

**Q13. Do you support legislation that would end the use of “stoppers” for nonpayment of traffic and parking fines?**

- Yes                      No                      Prefer not to answer
- 

Q13a. Please write any comments you might have in the box provided below.

**Q14. Would you support a traffic ticket amnesty program to ease the economic burden that traffic tickets place on the working class in Hawai’i?**

- Yes                      No                      Prefer not to answer
- 

Q14a. Please write any comments you might have in the box provided below.

**INTRO12. Criminal Law Reform**

**PLEASE READ THE STATEMENT BELOW AND THEN ANSWER THE TWO QUESTIONS THAT FOLLOW**

*Under Hawai’i law, it is a felony to possess any amount of a drug that has been classified as dangerous, which is essentially every drug except cannabis. Even the possession of small amounts is punishable by up to five years in prison and a \$10,000 fine.*

**Q15. Do you support legislation decriminalizing possession of small amounts of dangerous drugs, and reinvesting the savings in effective, community-based drug treatment?**

Yes

No

Prefer not to answer

Q15a. Please write any comments you might have in the box provided below.

**Q16. Do you think substance use should be treated as a matter of public health?**

Yes

No

Prefer not to answer

Q16a. Please write any comments you might have in the box provided below.

The war on drugs has been an abject failure from several viewpoints. The long-running opioid epidemic has shown us that once drug abuse crosses racial and socioeconomic barriers, we are more willing to show compassion and treat addiction as a public health crisis rather than a criminal one.

**INTRO13. PLEASE READ THE STATEMENT BELOW AND THEN ANSWER THE QUESTION THAT FOLLOWS**

*Prosecutors are possibly the most influential player in the criminal legal system, yet there is little publicly-available information about how prosecutorial decisions are made.*

**Q17. Do you support legislation to promote transparency in county prosecutors' offices by requiring increased data tracking and disclosure?**

Yes

No

Prefer not to answer

Q17a. Please write any comments you might have in the box provided below.

**INTRO14. PLEASE ANSWER THE FOLLOWING THREE QUESTIONS**

**Q18. Do you support increasing funding for re-entry services for those who are released from incarceration?**

- Yes      No      Prefer not to answer
- 

Q18a. Please write any comments you might have in the box provided below.

I believe we can find ways to improve re-entry services and outcomes without spending more than we are currently.

**Q19. Do you support measures to decrease barriers to employment for formerly incarcerated individuals?**

- Yes      No      Prefer not to answer
- 

Q19a. Please write any comments you might have in the box provided below.

**Q20. Do you believe that Hawaii's criminal legal system is working?**

- Yes      No      Prefer not to answer
- 

Q20a. Please write any comments you might have in the box provided below.

Over the last few years, we have seen an increase in violent crime. This is not the Hawai'i we know or want. I intend to work closely with our law enforcement officers, prosecutors, and our judiciary because we can't afford to have our people on the frontlines of law and order be left out of the law-making process. We need to give our law enforcement professionals the ability to do their jobs properly by closing loopholes and inconsistencies in our laws. We also need to fix our local prisons so that they can become places of rehabilitation where offenders and DPS employees can have a safe environment to live, work, and serve their time. We need to stop sending our prisoners to for-profit prisons in the mainland where they risk becoming indoctrinated into an endless cycle of crime.

**INTRO15. Houselessness**

**PLEASE READ THE STATEMENT BELOW AND THEN ANSWER THE THREE QUESTIONS THAT FOLLOW**

*Hawai'i has one of the highest houselessness rates in the country. The number of unsheltered people has exploded in the past decade even though we have had low unemployment and a relatively strong economy. With COVID-19's harm to the Hawai'i economy, the number of people experiencing houselessness is likely to grow.*

**Q21.**

**What do you believe is working and is not working about Hawaii's approach to houselessness?**

Please explain your thinking in the space below.

**Q22.**

**Do you support legislation establishing a homeless bill of rights?**

Yes

No

Prefer not to answer

**Q22a.** Please write any comments you might have in the box provided below.

**Q23.**

**How do you plan to address houselessness in Hawai'i in the short, medium, and long term?**

Please explain your thinking in the space below.

We all know that the availability of affordable housing and chronic homelessness are some of our state's most pressing challenges. And despite promises by some of our current elected officials, progress is far too slow. I am approaching this problem recognizing two facts: 1) government does not build housing and 2) our population has grown over the decades and we have not kept up with that demand. We need to learn to lower the costs for housing developments that are passed to occupants by identifying redundancies in the state process for permits and EIS' and enabling better communication between state and local county permitting departments. We also should create a simplified regulatory process that doesn't force residents or developers to wait for years just so they can build homes. I will listen to the contractors, developers, and citizens whose actual job is to build housing. I will rely on them to better understand what can be done.
