INTRO8. Economic Justice

PLEASE READ THE STATEMENT BELOW AND THEN ANSWER THE QUESTION THAT FOLLOWS

Only seventeen percent of workers nationwide have access through their employers to paid family leave to care for and/or bond with a new child, or to care for a sick or injured family member. The availability of paid family leave has been shown to increase workers' loyalty to employers, decrease employee turnover, and has been linked to decreased infant mortality rates and decreased reliance on public assistance. Eight states and Washington D.C. have passed laws that guarantee paid family leave to workers. In December 2019, Congress passed and President Trump signed the Federal Employee Paid Leave Act extending 12 weeks of paid parental leave to most federal employees.

Q10. Do you support legislation to guarantee 12 weeks of paid family leave to Hawaii's workers through the establishment of a social insurance program?

INTRO10.

PLEASE READ THE STATEMENT BELOW AND THEN ANSWER THE QUESTION THAT FOLLOWS

Half of Hawaii's families cannot afford to meet basic needs. A recent study found that four in ten adults do not have access to \$400 at any given time, making them one emergency—or court-ordered fine—away from financial ruin. Studies have found that scaling fines based on affordability increases the likelihood that fines will be paid in full and increases revenue.

Q12. Do you support legislation that would require courts to scale fines based on an individual's income?

Yes

No

Prefer not to answer

Q12a. Please write any comments you might have in the box provided below.

INTRO11. PLEASE READ THE STATEMENT BELOW AND THEN ANSWER THE TWO QUESTIONS THAT FOLLOW

State law punishes nonpayment of traffic and parking tickets by placing a “stopper” on a person’s driving or vehicle record that prevents them from renewing or obtaining a driver’s license or vehicle registration until they’ve paid the ticket in full, plus a 21% fee assessed by the state’s contracted, Texas-based collection agency. Those who cannot afford their ticket and therefore cannot renew their license may be forced to choose between driving without a valid license (a traffic crime punishable by up to a \$1,000 fine or up to one year in jail) and losing their job or taking their child to the doctor. In recent years, several jurisdictions have either moved away from or completely stopped suspending licenses for nonpayment of traffic and parking tickets. In Hawai’i, there are approximately 350,000 outstanding license and registration stoppers.

Q13. Do you support legislation that would end the use of “stoppers” for nonpayment of traffic and parking fines?

- Yes No Prefer not to answer

Hawai'i has one of the highest houselessness rates in the country.
